

Bike Blender Checklist

- Return blender to ECO₂school staff

Before

- Check in with ECO₂school staff for blender availability.
- Buy your supplies
- Work with the teacher advisor and administrative staff for event approval.
- Advertise your event with banners, posters and announcements.

On Site

- Allow at least half an hour set up time on site
- Set the bike up on the stand
- Set up the table. Info at one end, smoothie materials at the other
- Cooler on the ground next to the bike
- Cut bananas in half but don't peel them until the event starts

During

- One person should handle the food.
- A second person should stay with the bike overseeing the riders.
- Make sure they do not stand while riding!
- Keep a hand on the blender
- If you are doing an event with young children, have a parent keep a hand on the child while they are on the bike.
- Wipe down the table as needed to keep the space clean

After

- Wipe down the table cover
- Wipe down the mounted blender parts
- Clean bowls, blender, cutting board and knife
- Store unused smoothie materials

Smoothie Materials

- 30 cups
- 1 gallon of juice
- 15 bananas
- 3 lbs. frozen strawberries
- Ice (for the cooler and the smoothies)

6-8 oz. Smoothie Recipe

- ½ a banana
- 3-5 strawberries
- 1c juice. (add water to the juice if needed)
- Scoop of ice
