

ECO₂school Transportation Survey

1. In a typical week of 10 one-way trips you make to and from school, identify the **number of times** that you use each mode of transportation.

Number	Mode	Number	Mode
	Walk		Bus (school or public)
	Bicycle		Skateboard
Motor Vehicle (car, truck, motorcycle) If you enter 0 here skip #2			
Other: (please explain) _____			

2. In your trips by motor vehicle, note how many of them are each of the following:

_____ **Drop off** by a vehicle that does not stay parked at school for the day. Mark the typical number of people dropped off from the car.
 1 (just myself) 2 (myself and one other person) 3 4

_____ **Carpool** in a vehicle that stays parked at school all day. Mark the number of people typically in the car with you.
 2 (myself and one other person) 3 4 5

_____ **You drive** by yourself.

3. Can we use your address to calculate the distance you travel to school? If so, please write it here.

This information will not be shared.

4. If you cannot provide your address, what are the **two** nearest cross streets to your house? _____ & _____

5. Have you reduced the number of times you drive to school over the course of the school year?

- Yes, I tried a greenway to school
- No, I already use a greenway to get to school
- No, I still drive alone or am driven to school

6. If yes, will you continue to use alternative modes of transportation?

yes no

ECO₂school Transportation Survey

1. In a typical week of 10 one-way trips you make to and from school, identify the **number of times** that you use each mode of transportation.

For the following questions please rate each component individually using a 1-4 scale, 4 being most effective and 1 being the least effective

7. Did you participate in any of these activities during the current school year? If yes please rate its effectiveness.

Yes/No		1-4 Rating
	ECO ₂ school Guest Speaker	
	Cocoa 4 Carpools	
	Walk and Roll Days or Go Green Fridays	
	ECO ₂ school Challenge	
	Bike Blender	
	Slow Race	

8. If you reduced the number of times you drove to school over the course of the year please rate the effectiveness of the following influences.

	1-4 Rating
More aware of climate change and making greener choices	
More aware of the health benefits of walking and biking	
More confident about walking and biking safely	
Wanting to compete in contests for prizes	

9. Please rate the effectiveness of the following incentives.

	1-4 Rating
Win a bicycle or individual prize	
Win a class ice-cream or pizza party	
The poster was visible in my classroom	
The teacher encouraged participation	

10. Are you interested in being involved in the ECO₂school program? Check all that apply to you.

Yes		Yes	
	As a senior project		As an intern
	As a "Climate" club member		Youth Advisory Board Member

11. If you are interested, please give us your name and email. We will contact you soon. Thank you for your time and interest
