The Script

| | |
|---|------------------------------|
| The time is right. | Jim McGreen |
| Tomorrow may be too late. | Carl Mears |
| Yesterday is in the past, and that’s OK. | Brigid Ahern |
| But today. Right now. | Martha Kowalick |
| The time is right | Larry Robinson |
| To be a climate game-changer. | Kim and Clay Clement |
| We can change the conversation | John Garn |
| We can create a secure future | Maitreyi and Dhruva Siruguri |
| We can decide the rules | Rusty Klassen |
| That keep our planet livable | Ross Markey |
| That keep our children safe | Carl and Naomi Mears |
| That keep our plants and wildlife diverse | Gisselle Aquilera |
| That keep our businesses thriving, | Connie Coddling |
| We can find the balance. | Ardath Lee |
| And we must, today. | Catherine Sharp |

| | |
|---|---------------------------------|
| Climate change is redefining our society, | Lawrence Jaffe |
| Reshaping our environment, our economy, our everything. | Ross Markey |
| With your help, your leadership and your support, | Lindsay Austin |
| Not just money but ideas, energy, contacts and inspiration, | Stacey Lawson |
| We can pull off something fantastic | Doron Amiran |
| Solutions exist and they're within reach. | Dick Dowd |
| Let's invest in renewable energy. | Ai-Chu Wu |
| Let's support climate advocates in government. | Jane Bender |
| Let's support a price on carbon. | Barbara Moulton and Tom Helm |
| Let's vote with our dollars. | Kim and Clay Clement |
| Let's inspire the next generation of leaders. | Stacey Lawson |
| Let's promote choice and competition in energy. | Ardath Lee |
| Let's light up a future free of fossil fuels. | Lawrence |
| Future generations are calling us. | Ann Hancock |
| To take action today. | Jim McGreen |
| Every one of us must engage in the solution. | Maitreyi and Dhruva Siruguri |
| Will you contribute your passion? | Samantha Perry |
| Your intelligence? Your dollars? Your time? | Ken Roberts |
| Help us implement community scale solutions | Ai-Chu Wu |
| That will revolutionize our relationship to energy. | Rusty Klassen |
| The time is right. | Xochitl Anceno |
| Let's work together. | John Garn |
| Let's invest in solutions. | Catherine Sharp and Ken Roberts |
