About Fresno EOC

Founded in 1965, Fresno EOC has spent over five decades investing in people. As an entrepreneurial agency, with over 35 programs, we bridge the gap to self-sufficiency by providing opportunities and resources, as we initiate and partner in shared community efforts to improve the quality of life.

Low-Income Home Energy Assistance Program

About Energy Services

For over 30 years Fresno EOC Energy Services Program has provided housing improvements that increase a home's energy efficiency through various state, federal, and private funding opportunities.

Our program works to help our community become energy efficient by educating and providing quality weatherization services and solar, one home at a time.

Fresno **Economic Opportunities Commission**
