

HIGH ROAD TRAINING PARTNERSHIP

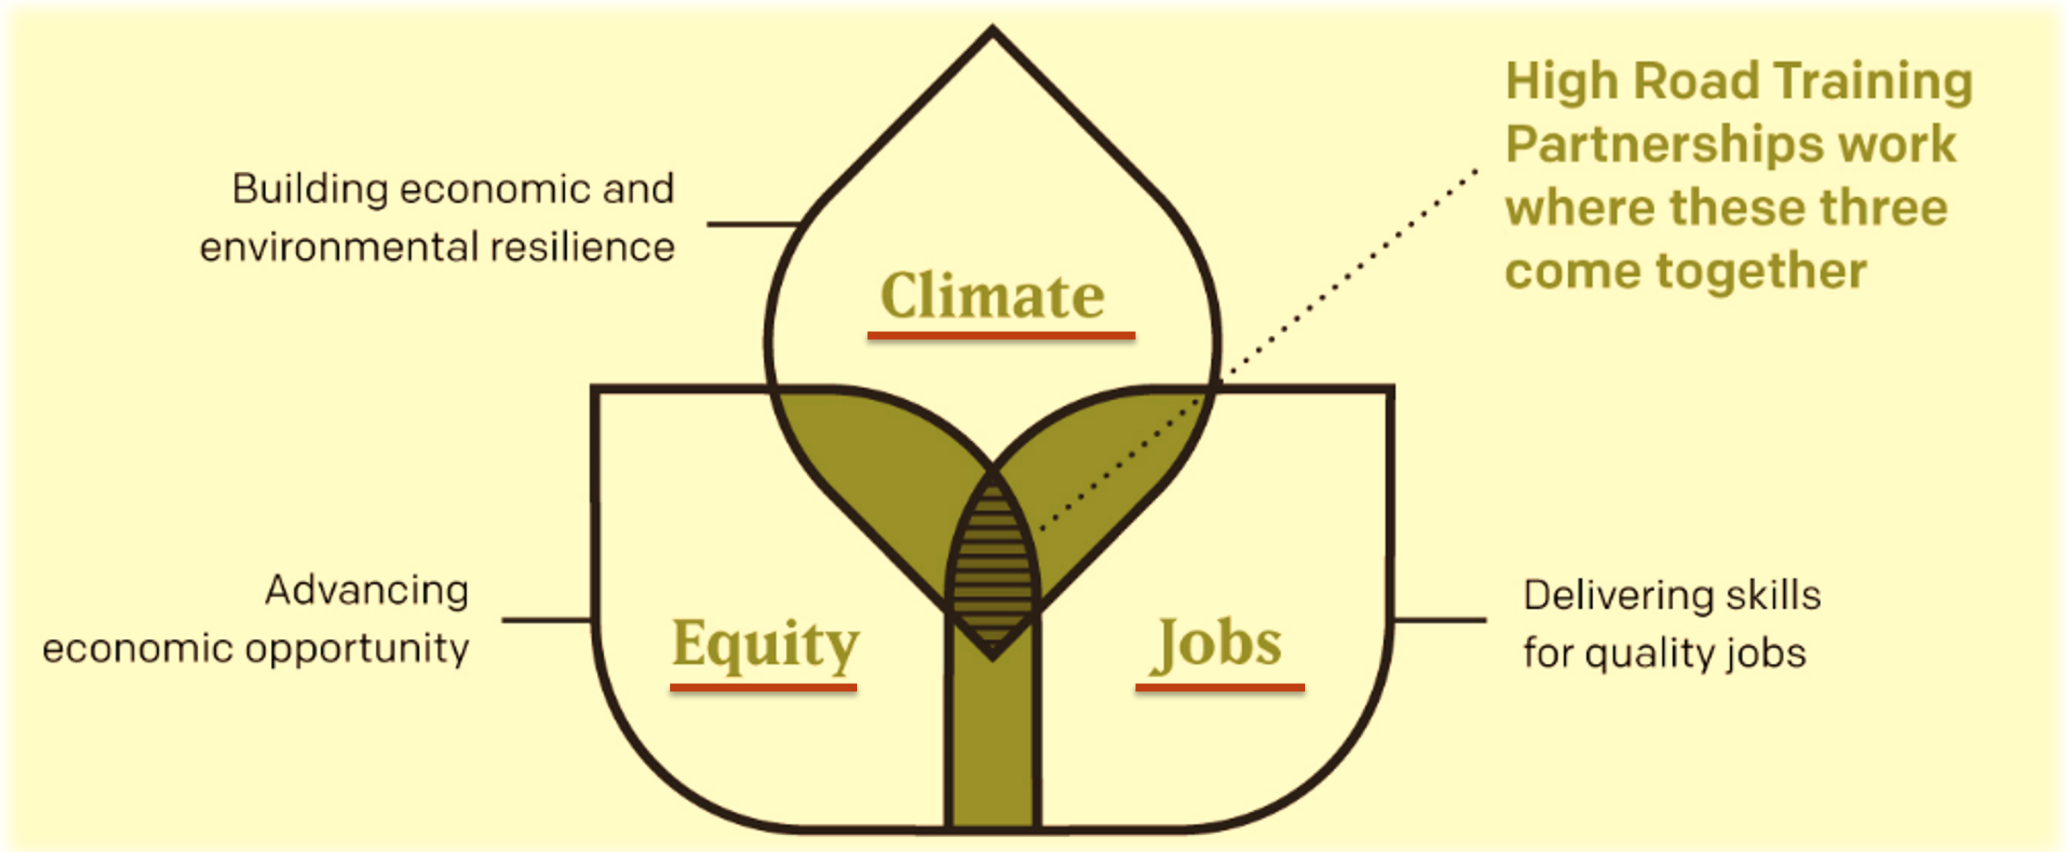

# *A Just Transition for Labor: What Will it Take?*

## A High Road Vision for a Carbon Neutral Economy

# The California Workforce Development Board (CWDB) is the Administration's workforce policy arm.

# The CWDB advances a *high road* vision for California's economy and approach to workforce development.

# The CWDB addresses climate change by developing labor and workforce policies and programs.

## *Job Quality*

- Maximize economic benefits of climate investments.

## *Equity*

- Invest in a high road workforce development infrastructure.

## *Just Transition*

- Promote comprehensive economic development planning.

# Just Transition requires a comprehensive effort addressing economic and community development.
