

Vision & Mission

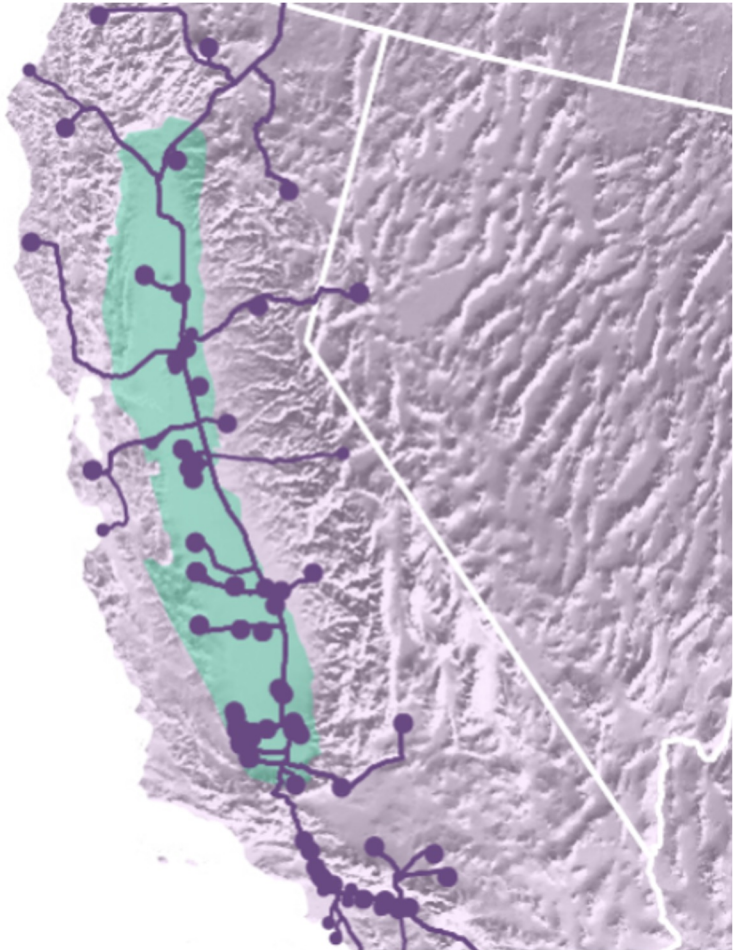

- CVAQ envisions a **healthy, safe, and economically prosperous** San Joaquin Valley where **chronic air pollution** and **epidemic sickness due to poor air quality** is **eliminated**.
- Mission: **Raise awareness**, act as a **watchdog, advocate for policy**, and **mobilize communities** to create clean air in the San Joaquin Valley. **To ensure that all communities...can be involved in the policy development and regulatory processes** improving regional health.
