Support SB 1282 (Becker) Battery Integration and Grid Reliability Act

Dear Senator,

I'm writing in support of SB 1282, which will use the energy stored in vehicle batteries to strengthen the state's electrical grid, support the clean energy transition, and save ratepayers money.

your phone

SB 1282 will help California utilize the energy stored in electric vehicle (EV) batteries to strengthen the state's electrical grid, support the clean energy transition, and save ratepayers money.

The California Climate Policy Summit

On April 13, 2026, The Climate Center will be hosting the fifth annual [California Climate Policy Summit](#) in Sacramento, CA.

The goal of the Policy Summit is to build support for bold, accelerated, and equitable climate policy commensurate with what science and our rapidly deteriorating climate reality demand.

California Climate Policy Summit 2026

April 13, 2026 9:00 am PST - 5:00 pm PST
Sheraton Grand Sacramento Hotel, 1230 J St, Sacramento, CA 95814
