Roundtable Discussion: Responsible Carbon Dioxide Removal (CDR) in California

California Climate Policy Summit 2026

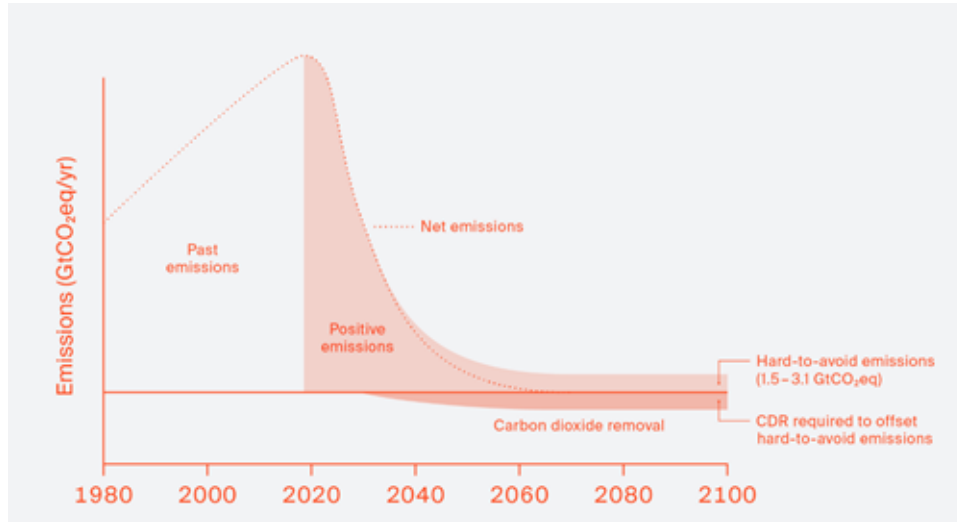

Overview

Why Carbon Dioxide Removal in California?

Small group discussions

Wrap Up + Thank You

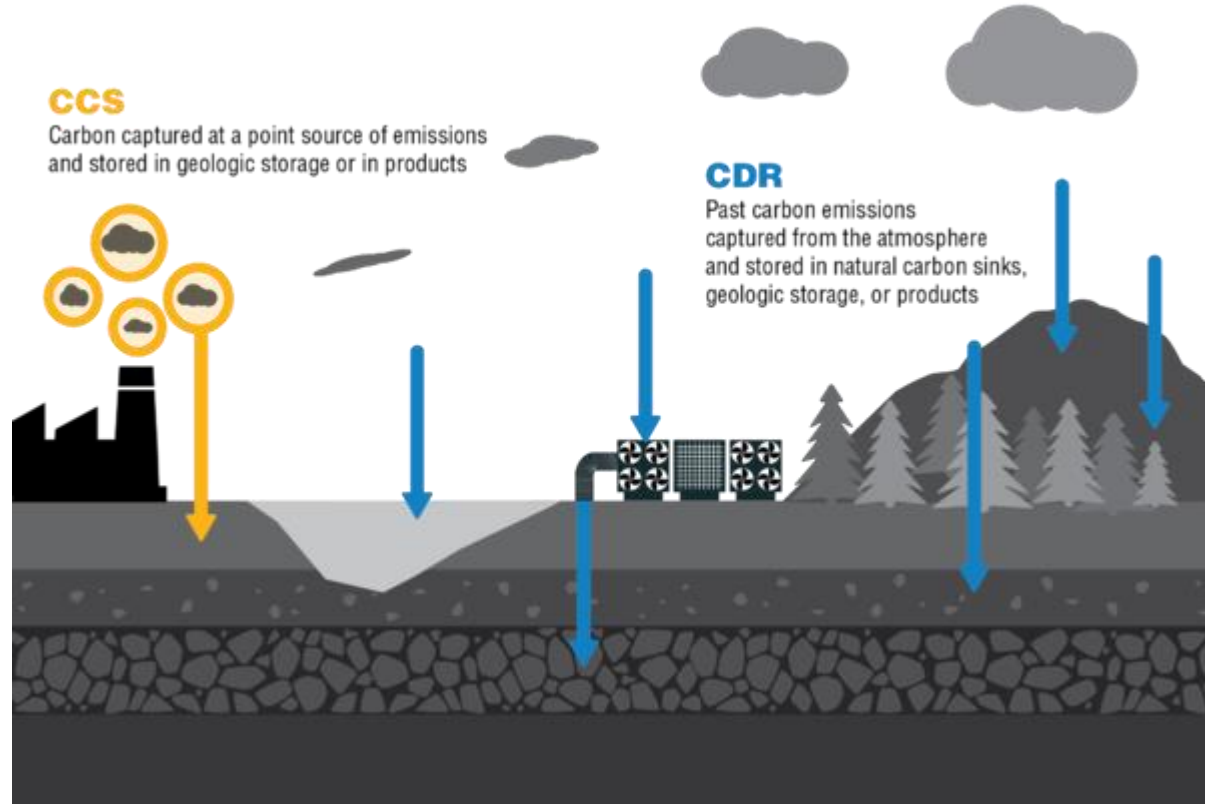

Carbon Dioxide Removal in California

Source: CDR Primer

2022 Scoping Plan	CDR targets
2022 AB 1279	Up to 15% CDR
2022 SB 905	Carbon management framework
2025 SB 614	Lifts CO ₂ pipeline moratorium

CDR is Not Carbon Capture and Storage (CCS)

Source: Carbon Gap

CDR Strategies

Afforestation
Reforestation

Direct Air Capture
(DAC)

Soil carbon sequestration

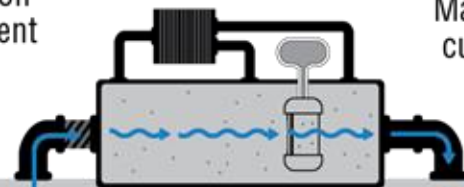

Biochar

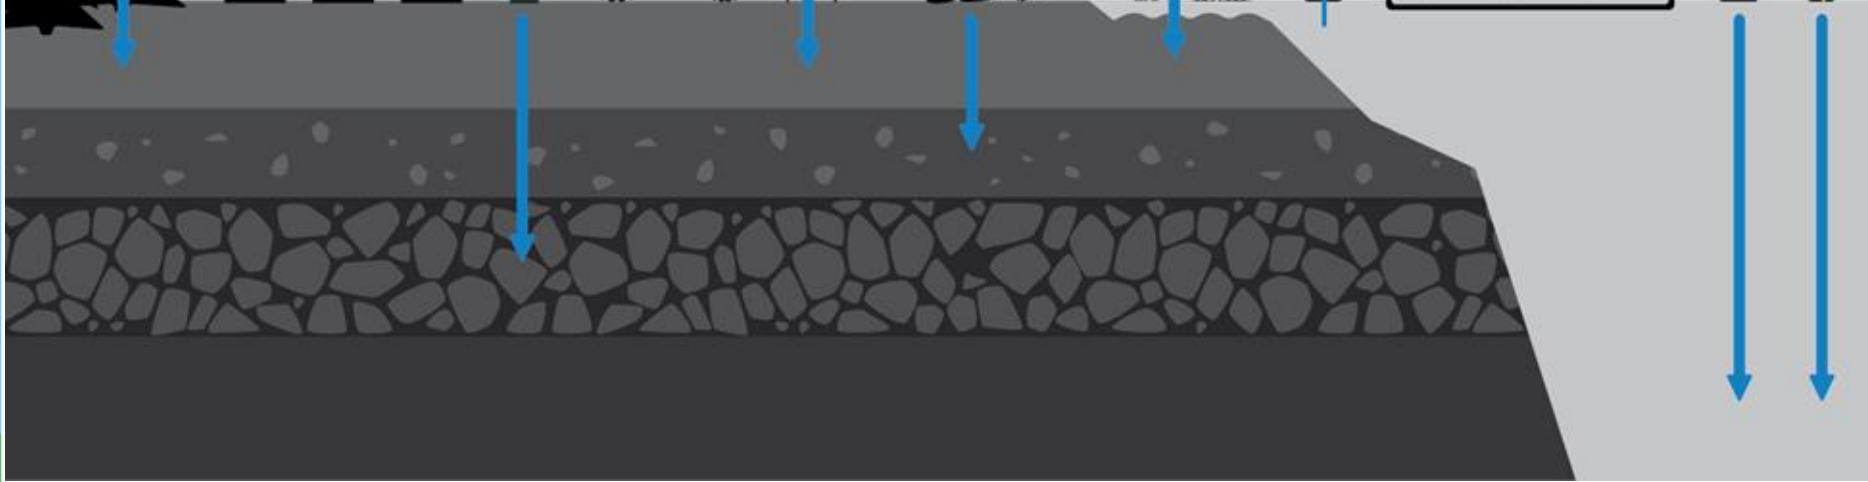

Blue carbon
management

Direct Ocean Capture
(DOC)

Macroalgae
cultivation

Small Group Discussion

- Three groups - DAC, BiCRS, mCDR
- Two 20 minute rounds
- Facilitators: Deepika Nagabhushan, Bob Epstein, Dianne Doucette, Victoria Gonzalez, Vanessa Suarez
- CDR Companies: Capture6, Heirloom (DAC), Charm (BiCRS), Equatic, Hourglass Climate (mCDR)

Thank You!
